

ANTONIANS NEED HELP

- Fifty-five-year old **Merryl Dunuwille**- captained cricket 1972 now domiciled in California, U.S.A presently on dialysis is in need of A positive kidney for urgent transplantation. The surgery could be performed in the U.S.A. if the donor is willing to travel overseas. For details, please contact: Deutrom Aluwihare, 18, Greenlands Lane, Colombo 5. (Tel: 0777-340811).
- Old Boy **Daminda Kolugala's baby Dinal** need immediate help to bring his hearing and speech back. His condition can be cured through a Cochlear Implant surgery where a hearing device is permanently implanted in his ear, which enables him to get the hearing and speaking back. This is successfully done in Apollo Hospital India, and the cost of the surgery is Rupees 4.4 million (four million four hundred thousand), which includes the service of regular mapping and rehabilitation for same.

Any assistance can be channelled through Dinal's mother Charuni
