

YARNS FROM GOOD OLD DAYS – Please Contribute

One of our former college mates, Jehan Sirimanne, has been given a task to collect Unforgettable stories involving colleagues, teachers, life in the hostel, sporting events and anything Antonian.

These memories must be preserved and passed on to the future generation of Antonians.

In addition, there will be a re-production of write-ups by famous old boys on the earlier history of the School in Kandy.

This is a fantastic project, and I would like to ask all Antonians to contribute in full glory.

Jehan can be contacted by e-mail at jehansirimanne@yahoo.co.in
